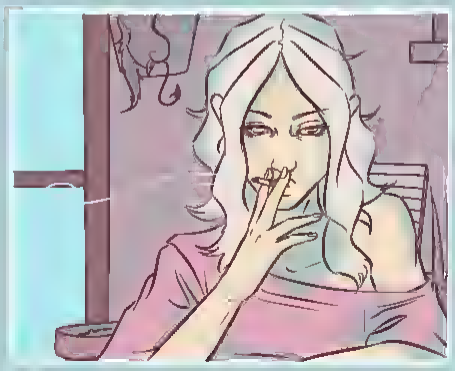
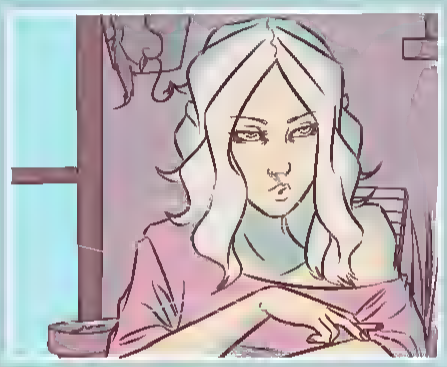
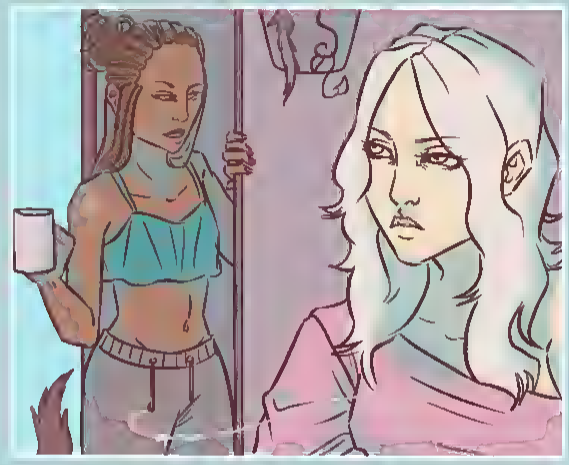
Inner
Demons





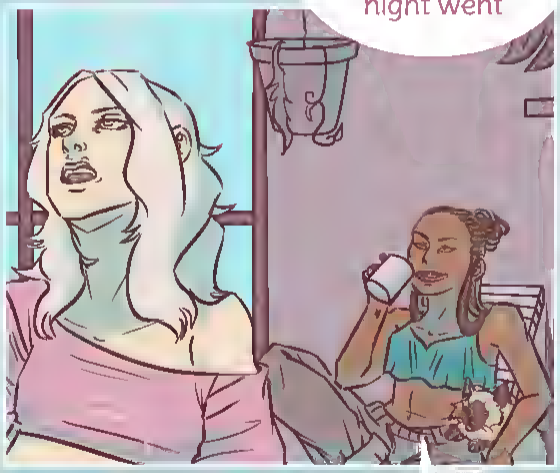
Weirdos.

Phew, well I had an above-average night, lemme tell ya.



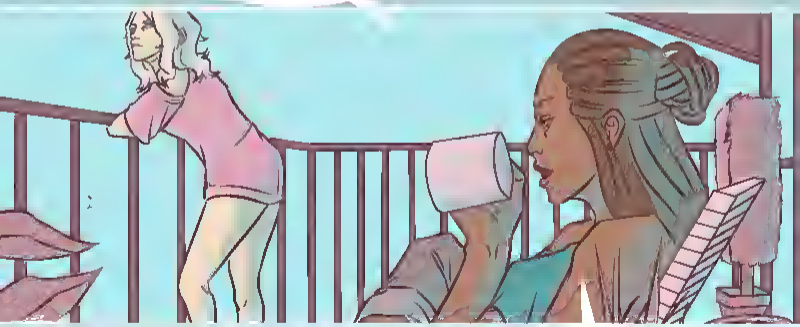
Save it - his friends already came by this morning for his keys

I know exactly how well your night went



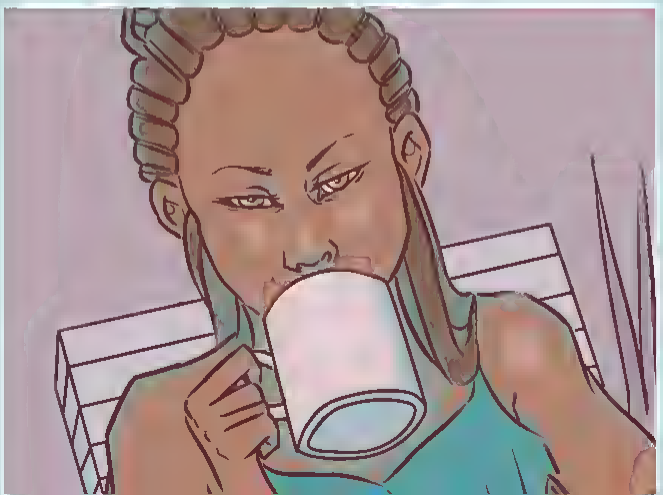
Oh, yeah?

I've actually got news for ya on that front

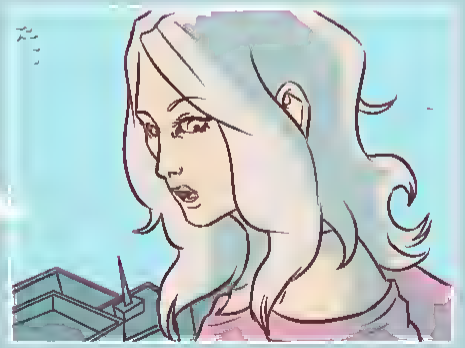


You know his friend that was there last night? The one with the

glasses?



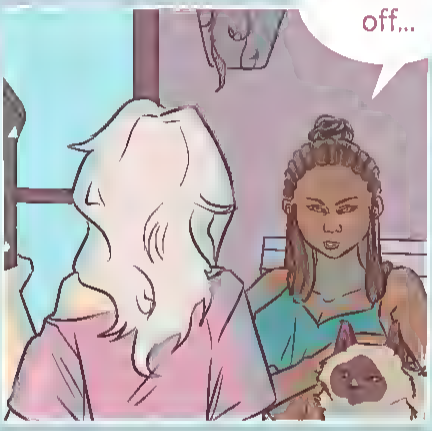
Turns out he's a virgin



Glasses...?

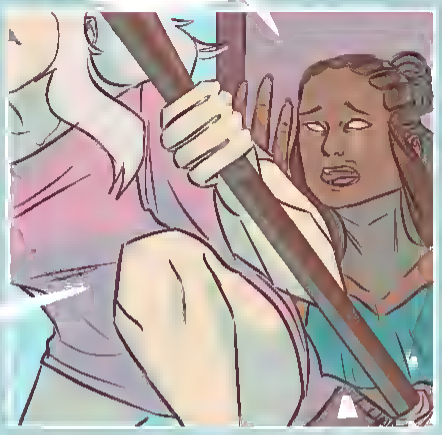
Where are they?
I'm going there now.
Girl

...Girl...



I just know that they study Geology

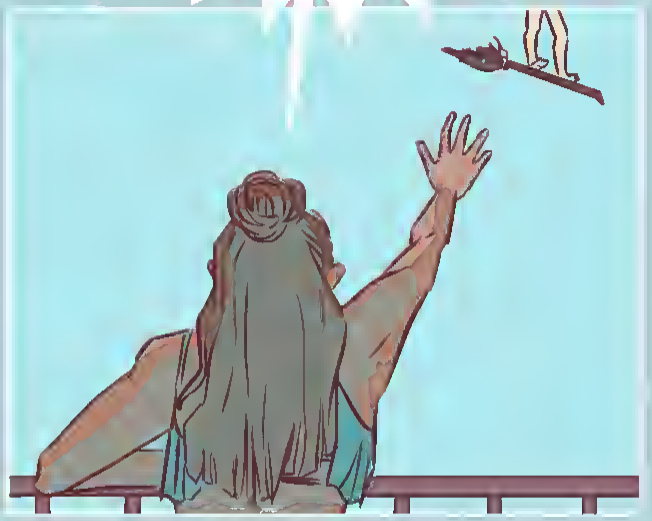
at West University -



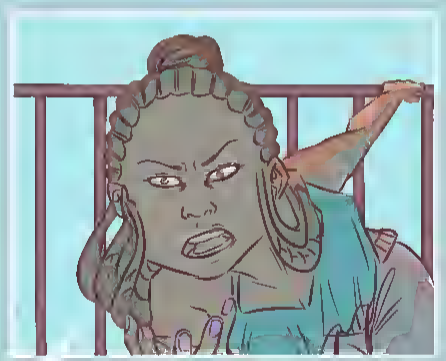
NO, WAIT! -

AT LEAST PUT

SOME PANTS ON -



...Aaannddd, she's gone.



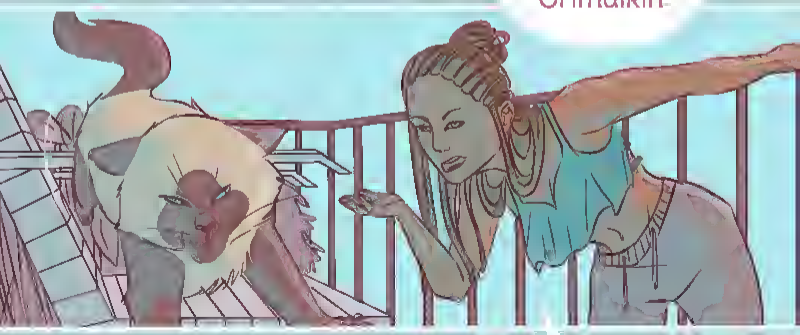
Why didn't you say anything??

Fuck off.

I ain't her keeper

But you are, though?

You're her Grimalkin



You're meant

to stop her from doing dumb shit.

Only in the Spirit World.

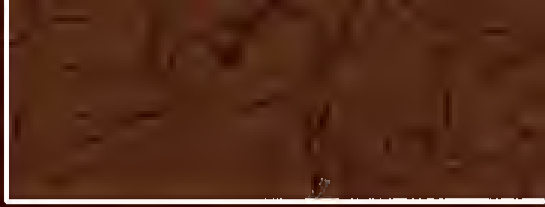
Out here she's your problem.

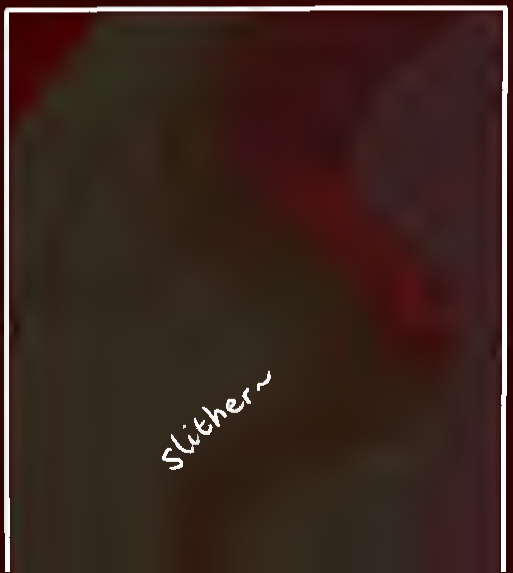
Now come feed me.
Bitch.

Shit shit shit, Shay.

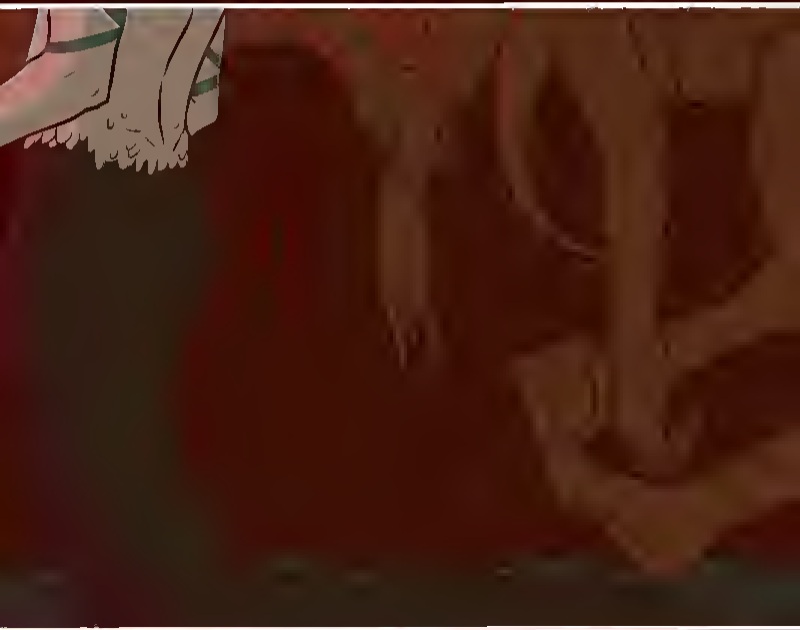
Please don't do anything stupid this time...

Dean
wait where are my keys??
Iri
Your friends took them. walk





slither~



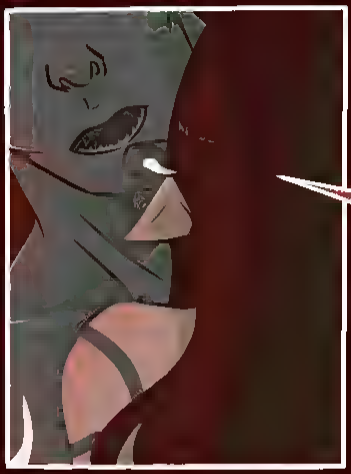
Master.

The Circinate witch requests an audience with you.

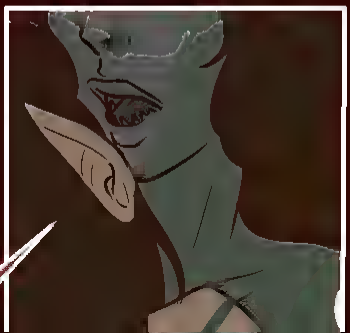
These witches, summoning us at their leisure.

Tell him I am indisposed at this time.

But -



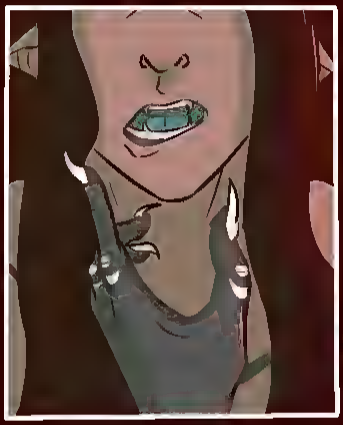
If they have banished us to this realm...



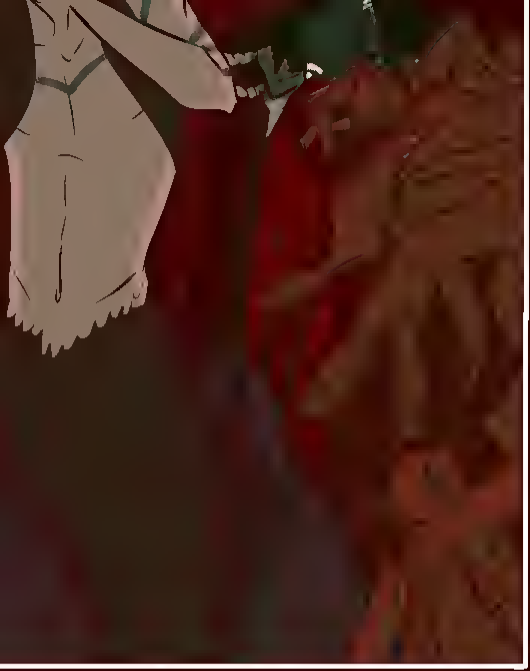
We do not come

running at their call.

Now,



leave me.



So persistent.

...Perhaps slaughtering them will not be so diffucult after all...
